SENATE BILL

No. 1183

Introduced by Senator DeSaulnier

February 20, 2014

An act to add *and repeal* Section 9251 ~~to~~ of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

SB 1183, as amended, DeSaulnier. Vehicle registration fees: surcharge for bicycle infrastructure.

Existing law provides for the imposition of ~~certain~~ registration fees on motor vehicles, including ~~certain~~ *additional, specified* fees imposed by local agencies for ~~various specified~~ *transportation-related* purposes.

This bill would authorize a city, county, or regional park district to impose *and collect*, as a special tax, a motor vehicle registration surcharge of not more than \$5 for bicycle infrastructure purposes *until January 1, 2025*. The bill would require the Department of Motor Vehicles to administer the surcharge and to transmit the net revenues from the surcharge to the local agency. The bill would require the local agency to use these revenues for improvements to paved and natural surface trails and bikeways, including existing and new trails and bikeways and other bicycle facilities, and for associated maintenance purposes. The bill would limit to 5% the amount of net revenues that may be used by the local agency for its administrative expenses in implementing these provisions.

The bill would require a local agency that imposes the \$5 surcharge to submit an annual fiscal year-end report to the Legislature that includes, among other things, the total net revenues received and expended during the previous fiscal year and a summary of the infrastructure and projects funded by the surcharge.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.
